

WESTERN INTERNATIONAL FUTURITY

The Twenty-Eighth Annual Western International Walking Horse Show **will be held on the grounds of the Oregon Horse Center, near Eugene, Oregon** September 23rd- 25th, 2011. www.oregonhorsecenter.com
Regular halter classes are scheduled for Friday, September 23rd.

WIWHA Futurity halter classes begin at 1:30 p.m. and the under saddle classes on Saturday Evening, September 24th.

When you nominate and show in the Western International Futurity, your colt or filly will have the advantage of having been socialized as a weanling, trailered, bathed, clipped and brushed and made more beautiful with creams, sprays, and gloss. Your young horse will have taken a first step in being a well rounded horse!

NOTE: Due to the decline in weanling and yearling nominations the Futurity Committee has elected to allow your 2011 Yearlings to be nominated even if they missed their 2010 Weanling Year.

To nominate your Yearling you will need to pay the Mare Fee, Sire Fee and Weanling Fee along with a \$25.00 penalty. Then you can nominate your horse for the yearling year.

ALSO: We are reducing the penalty for November 2006 nomination change.

Rule update per November 2006 meeting regarding nomination of yearlings, two year olds or three year olds that missed a year. If your horse missed a year in nominations you may make up the nominations and compete in the current year. Following are the conditions and fines:

1. Horse and its sire and dam must have been nominated and paid as a weanling.
2. Horse must make up each years nomination at the regular rate plus a \$25.00 penalty fee.

A parade of Futurity Halter winners (first and second places) is scheduled for Saturday evening and includes two and three year old halter winners. No parade of Futurity stallions is planned.

Weanlings must have their dam and sire nominated their weanling year. The owner of the stallion usually pays fees for the stallion, however anyone may pay the fee for the sire or dam. If you sell your nominated colt, the nomination follows the sale and qualifies the colt for the next year's nomination and futurity. We accept nominations from any State.

REGARDING YOUTH CLASSES. We will NOT be offering Youth Futurity Halter this year.

Records and copies of papers for nominated Weanlings are maintained in the office. Please mail a copy of the weanling's registration papers with the nomination. We will have a copy machine in the office at the show and can make copies of the original if needed. If your registration papers have not been returned from the Breeders' Association, mark your nomination form '**applied for**' where the registration number is required. If you have received a blood typing kit or a DNA kit, it will contain the name and number assigned by the Breeders' Association. You can make a copy of that label and mail it with your nomination form. If you did not mail a copy of your weanling's papers last year, please send us a copy this year. Yearlings without copies of papers cannot be shown. If you have a problem, please call and we will assist in any way that we can.

Please mail the nomination form to us with your check made payable to WIWHA FUTURITY. Show entry blanks to reserve stalls for your futurity nominated entry should be mailed to the Show Secretary after you receive the regular show premium.

ENTRIES CLOSE for the Futurity, September 10th, 2011 to allow time to check entries, registration numbers and to allow time to get the information ready for the program. If you have questions unanswered in the General Provisions, please email Linda Arnold. If you know of anyone who has purchased a weanling or horse, and should be on our mailing list, please advise us and we will mail a form and show premium. ***Please do not send Futurity checks to the show secretary.***
